the same *period of disability* may continue. Your return to *active work* must be for less than:

- 6 months, if the later *disability* results from the same cause, or a related one; or
- 1 day, if the later *disability* results from a different cause.

If you return to *active work* for more than the time shown above, and then become *disabled* again, you will start a new *period of disability*. You must satisfy the *qualifying period* again and the period outlined in the Maximum Benefit Period provision will start over.

*Qualifying medical condition* means you have a medical condition which is diagnosed by a *doctor* as life-threatening and which results in an expected life span of 12 months or less according to prevailing medical standards.

This time period is your Qualifying Period stated in any long term disability insurance policy issued by us to the *policyholder* under which you are insured, or if none, 6 months.

## DEFINITIONS FOR LIFE INSURANCE (continued)

*Regular care and attendance* means the regular and personal care of a *doctor* which, under prevailing medical standards, is appropriate for your condition. We will no longer require the regular care of a *doctor* if we receive acceptable proof that further care would be of no benefit.

*Retire* means you begin receiving retirement benefits from either:

- a *retirement plan* sponsored by your employer, the *policyholder*, or an *associated company*, or
- a *government plan*.

*Retirement plan* means a formal or informal retirement plan, whether or not under an insurance or annuity contract.

## ELIGIBILITY AND TERMINATION PROVISIONS FOR YOU

### Exception to Effective Date

If you are not at *active work* on the day you would otherwise become insured, your insurance will not take effect until you return to *active work*. If the day your coverage would normally take effect is not a regular work day for you, your coverage will take effect on that day if you are able to do your regular job.

### When Your Insurance Ends

Your insurance will end on the date:

- the *policy* ends;
- the *policy* is changed to end the insurance for your *eligible class*;
- you are no longer in an *eligible class*;
- you stop *active work*; or
- a required contribution was not paid.

## ELIGIBILITY AND TERMINATION PROVISIONS FOR DEPENDENTS

### Eligible Dependents

Your *eligible dependents* are:

- your lawful spouse, and
- your unmarried children from live birth but less than age 19, or less than age 25 if a full-time student.

“Children” include any biological or adopted children, stepchildren and foster children, each of whom must depend on you for support and maintenance. A child will be considered adopted on the date of placement in your home. “Children” also include any children for whom you are the legal guardian, who reside with you on a permanent basis and depend on you for support and maintenance.

An *eligible dependent* will not include any person who is a member of an *eligible class*. An *eligible dependent* may not be covered by more than 1 *covered person*.

### Dependent Effective Date

Any *noncontributory* dependent insurance will take effect on the day the dependent becomes an *eligible dependent*, or, if later, on the Entry Date shown in the Schedule in the *policy*.

For any *contributory* dependent insurance, you must apply for dependent insurance on a form acceptable to us. You must also agree to pay your share of the premium.

- If you apply before the dependent becomes eligible, dependent insurance will take effect on the Entry Date shown in the Schedule in the *policy*.
- If you apply on the date the dependent becomes eligible, or within 31 days after that, dependent insurance will take effect on the Entry Date occurring on or after the date of your application.
- If you apply more than 31 days after the dependent becomes eligible, you must give *proof of good health* for each *eligible dependent*. *Proof of good health* is also required if you apply after dependent insurance ended because the premium was not paid. If the proof is accepted, dependent insurance will take effect on the Entry Date occurring on or after the date we approve the *eligible dependent's proof of good health*.

You cannot apply for dependent insurance if your coverage is being continued under the Disability Benefit provision of the *policy*.

### Exception to Dependent Effective Date

Dependent insurance will not take effect until your insurance for the same coverage under the *policy* takes effect.

If an *eligible dependent* is in a hospital or similar facility on the day insurance would otherwise take effect, it will not take effect until the day after the *eligible dependent* leaves the hospital or similar facility. This exception does not apply to a child born while dependent insurance is in effect.

### When Dependent Insurance Ends

A dependent's insurance will end on the date:

- the *policy* ends;

## ELIGIBILITY AND TERMINATION PROVISIONS FOR DEPENDENTS (continued)

- the *policy* is changed to end dependent insurance;
- that dependent is no longer eligible;
- your insurance for the same coverage under the *policy* ends; or
- a required contribution for dependent insurance was not paid.

## **SPECIAL DEPENDENT INSURANCE CONTINUANCE PROVISIONS**

As specified below, dependent insurance may continue, subject to the provisions that describe when insurance ends, and all other terms and conditions of the *policy*. Premiums are required for any coverage continued.

### **Physically Handicapped or Mentally Retarded Dependent Children**

Dependent insurance for an *eligible dependent* child will continue beyond the date a child attains an age limit, if, on that date, he or she:

- is unable to earn a living because of physical handicap or mental retardation; and
- is chiefly dependent upon you for support and maintenance.

We must receive proof of the above within 120 days after the child attains the age limit and each year after that, beginning 2 years after the child attains the age limit. There will be no increase in premium for this continued coverage.

Dependent insurance will end when the child is able to earn a living or is no longer dependent on you for support and maintenance.

## CONTINUITY OF COVERAGE

### Definitions

*Prior plan* means the *policyholder's* plan of group *life insurance*, if any, (including any *accidental death and dismemberment insurance* and/or dependent *life insurance*) under which you and your *eligible dependents*, if any, were insured on the day before the Effective Date of the *policy*.

*Prior plan benefits* mean the benefits, if any, that would have been paid to you or your *beneficiary* under the *prior plan* had it remained in effect, and had you or your dependent continued to be insured under the *prior plan*.

### Continuity of Coverage for You

We will provide continuity of coverage if you were covered under the *prior plan*.

If you are not at *active work* on the Effective Date of the *policy* due to a disability, you are not eligible to become insured under the *policy*. However, we will cover you for the *prior plan benefits* until the earlier of:

- the date you return to *active work*; or
- the end of any period of continuance or extension of the *prior plan*.

If you are not at *active work* on the Effective Date of the *policy* due to a reason other than a disability, and would otherwise be eligible to become insured under the *policy*, we will cover you for the *prior plan benefits* until the earliest of:

- the date you return to *active work*;
- the end of any period of continuance of the *prior plan*; or
- the date coverage would otherwise end, according to the provisions of the *policy*.

Any benefits payable under the conditions described above will be paid by us:

- as if the *prior plan* had remained in effect; and
- will be reduced by any benefits paid or payable by the *prior plan*.

If you are at *active work* on the Effective Date of the *policy*, you will be insured under the *policy*.

### Prior Plan Credit for Life Insurance

We will give you credit for time periods which were met under the *prior plan* for the same provision(s). This credit will apply to the time-insured requirement, if any, shown in the following section(s) of the Life Insurance for You provision in the *policy*.

- Insurance Provided. However, for any *contributory* insurance, this credit will not apply to any increase in your amount of insurance under the *policy*.
- Accelerated Benefit, but only if you had a similar Accelerated Benefit under the *prior plan*.
- Conversion to an Individual Policy.

## CONTINUITY OF COVERAGE (continued)

If we accept a copy of the enrollment card you submitted under the *prior plan*, this credit will also apply to the Incontestability section(s) shown in Additional Provisions for Life Insurance and Accidental Death and Dismemberment Insurance and the Claims Provisions for Accidental Death and Dismemberment Insurance Only.

### Continuity of Coverage for Your Dependents

We will provide continuity of coverage for your *eligible dependents*, if any, who were covered under the *prior plan*.

If an *eligible dependent* is in a hospital or similar facility on the Effective Date of the *policy*, we will cover the dependent for the *prior plan benefits* until the earliest of:

- the day after the *eligible dependent* leaves the hospital or similar facility;
- the end of any period of continuance or extension of the *prior plan*; or
- the date coverage would otherwise end, according to the provisions of the *policy*.

Any benefits payable will be paid by us:

- as if the *prior plan* had remained in effect; and
- will be reduced by any benefits paid or payable by the *prior plan*.

If an *eligible dependent* is not in a hospital or similar facility on the Effective Date of the *policy*, the dependent will be insured under the *policy*.

### Prior Plan Credit for Life Insurance for Your Dependents

We will give your dependents credit for time periods which were met under the *prior plan* of group dependent *life insurance* for the same provision(s). This credit will apply to the time-insured requirement, if any, shown in the following section(s) of the Life Insurance for Your Dependents provision of the *policy*:

- Insurance Provided. However, for any *contributory* insurance, this credit will not apply to any increase in the amount of dependent insurance provided under the *policy*.
- Conversion to an Individual Policy.
- Incontestability. However, this will apply only if we accept a copy of the enrollment card you submitted under the *prior plan*.

## SPECIAL LIFE INSURANCE CONTINUANCE PROVISIONS

As shown below, a *covered person's life insurance* may continue. Any *accidental death and dismemberment insurance* may not be continued.

This continuance is subject to all other terms, conditions, and reductions of the *policy*.

### Notice by the *Policyholder*

The *policyholder* must notify the *covered person* of this continuance right within 30 days after the *covered person* stops *active work* because:

- the person's employment ends for any reason except gross misconduct;
- the person retires; or
- the person's work hours are reduced to less than *full-time*.

### Election by the *Covered Person*

The covered person must:

- notify the *policyholder* of the election of continued coverage within 60 days after receiving notice, or the date *active work* stopped, whichever is later; and
- pay, or have paid, the premium for the cost of continuing insurance. The premium will not exceed 102% of the premium which would have applied if the person had not stopped *active work*. This does not apply if premiums are being waived according to the Disability Benefit Provisions.

If the *covered person* or the *covered dependent* dies within the 60 day election period but before the *covered person* notifies the *policyholder* of his or her desire to continue or reject continuance, the *covered person* will be considered to have elected continuance. We will pay to the decedent's estate the amount of insurance that could have been continued, less any unpaid premium due as of the date of death. We will not pay an amount of insurance under this paragraph if we pay the amount that could have been converted under the Conversion to an Individual Policy provision.

### Duration

A *covered person's life insurance*, including insurance for any *covered dependent* will not continue beyond the date:

- the premium is not paid;
- the *covered person* or *covered dependent* becomes covered under any other group life insurance policy;
- the *policy* ends; and
- that is 18 months after continued coverage began.

Continuance under these Special Life Insurance Continuance Provisions may not be added to any continuance available under the Continuance of Insurance Provision in the *policy* or the Disability Benefit Provision. Any insurance continued under either of these provisions may coincide with the continuance available under the Special Life Insurance Continuance Provisions.

A *covered person* may apply for a *conversion policy* at the end of the period shown above.

## LIFE INSURANCE FOR YOU

### Insurance Provided

We will pay your *beneficiary* the amount of insurance shown in the Schedule when we receive all the required proof of covered loss, including written proof of your death, acceptable to us, and a completed claim form. Your amount of insurance may be reduced by the amount of any *conversion policy*.

For any *contributory* insurance, if you take your own life within 1 year after you become insured under the *policy*, the amount of insurance we pay will be the sum of your contributions for this insurance.

For any *contributory* insurance, if you take your own life within 1 year after you elect an increase in your amount of insurance under the *policy*, the amount of the increase will be limited to the sum of your contributions for the increase.

### Changes in Amounts of Insurance

If your amount of insurance changes for any reason, the change will take place on the Change Date shown in the Schedule in the *policy*. But in the case of an increase, if you are not at *active work* on that day, no increase will take effect until you return to *active work*.

### DISABILITY BENEFIT

If you stop *active work* before age 65 because you become *disabled* while insured under the *policy* and remain *disabled* for the *qualifying period*, your *life insurance* will continue for the period outlined in the Maximum Benefit Period provision. Once the *qualifying period* is satisfied, no further premium is due for you while you remain *disabled* for the amount of *life insurance* that is being continued.

#### Amount

The amount of insurance continued will be the amount for which you were insured on the day before you became *disabled*. However, it is subject to any reduction in amount contained in the *policy*, on that day, and may be reduced by the amount of any *conversion policy*.

#### Proof of Disability

You must give us proof of your *disability* as stated in the Claim Provisions. You must submit all proof to our *home office* at no expense to us. If you die while *disabled*, we require proof that you were continuously *disabled* until death.

#### Maximum Benefit Period

If you become *disabled* before your 60th birthday, your insurance will continue as long as you are *disabled*, but not past the earlier of age 65, or the date you *retire*. If you become *disabled* on or after your 60th birthday, but before age 65, your insurance may continue for up to 1 year, but not past the earlier of age 65, or the date you *retire*.

If you are no longer *disabled*, your insurance will end unless you re-enter an *eligible class* and premium payments begin again. If you become *disabled* again during the same *period of disability*, you do not have to satisfy the *qualifying period* again. The maximum benefit period will not start over but will continue on the day you become *disabled* again.

If your amount of insurance reduces or ends while you are *disabled*, you can apply for an individual policy. See the Conversion to an Individual Policy provision.

## LIFE INSURANCE FOR YOU (continued)

### Extension of Benefits

Your insurance will continue even if the *policy* ends, if you meet the proof requirements as stated in the Claim Provisions.

### Exclusions

Your insurance will not continue under the Disability Benefit if your *disability* results directly or indirectly from:

- intentionally self-inflicted injury, while sane or insane;
- war or any act of war, whether declared or not;
- service in the armed forces of any country, combination of countries or international organization at war, whether declared or not; or
- taking part in a riot or insurrection, or an act of riot or insurrection.

Your insurance will not continue if your *disability* starts:

- after you are no longer in an *eligible class*;
- after the *policy* ends; or
- during the time allowed for conversion to an individual policy.

If you have converted to an individual policy after part or all of your group *life insurance* ended, no group insurance for the amount that ended will be paid unless the individual policy is returned without claim. Then we will refund all premiums paid for the individual policy, less any payments we made.

### Conversion to an Individual Policy

If any or all of your group *life insurance* ends, you can apply for any individual policy offered by us (*conversion policy*). You must apply and pay the premium within 31 days. If your insurance ends following a period of continuance under the Special Life Insurance Continuance Provisions, we will offer you an individual term policy. In any other event, the individual policy may be any we offer for conversion, except term insurance. No *proof of good health* is required.

You may convert up to the full amount that ended.

If you die within 31 days after your *life insurance* ends, we will pay to your *beneficiary* the amount you could have converted, whether or not you applied or paid the premium.

You cannot apply for a *conversion policy* if your group *life insurance* ended because you did not pay your share of the premium.

### ACCELERATED BENEFIT

This is a *life insurance policy* which pays accelerated death benefits at your option under conditions specified in the policy. This *policy* is not a long-term care policy meeting the requirements of sections 62A.46 to 62A.56 or chapter 62S.

If, while you are a *covered person*, you have a *qualifying medical condition*, you have the right to receive a portion of your *life insurance* during your lifetime, payable as an *accelerated benefit*. You must have at least \$10,000 of *life insurance* in force to be eligible to receive an *accelerated benefit*.

## LIFE INSURANCE FOR YOU (continued)

We are not responsible for any effect on your state or federal taxes, or loss of eligibility for any state or federal program.

Unless otherwise indicated, all provisions of the *policy* shall apply to the *accelerated benefit*.

### Amount of Accelerated Benefit

You may receive an *accelerated benefit* of your *life insurance*, as shown in the Schedule.

If the amount of your *life insurance* is scheduled to reduce due to age within 12 months following the date you apply for the *accelerated benefit*, your *accelerated benefit* will be based on the reduced amount.

An *accelerated benefit* may be paid only once during your lifetime. Benefits will be paid in a single sum to you. If you are not living when benefits are payable, they will be paid to your *beneficiary*.

Once an *accelerated benefit* is paid to you, we will notify you of the remaining *life insurance* in force.

### Proof Required for the Accelerated Benefit

You must submit a claim form and any other information we find necessary to decide our liability.

We may ask you to be examined in connection with your claim for an *accelerated benefit*. We will pay for any exam we require.

### Effect of Accelerated Benefit

After an *accelerated benefit* is paid, premium is due only for the remaining *life insurance*, unless the premium is waived under the Disability Benefit provision. The *life insurance* payable at your death to your *beneficiary* equals:

- the amount of your *life insurance* as if an *accelerated benefit* payment has not been made, minus
- the *accelerated benefit* payment, minus
- the *interest charge*.

The *interest charge* equals the *accelerated benefit* amount times the number of days from the *accelerated benefit* payment to your date of death, times an annual interest rate divided by 365. The rate of interest is determined quarterly by us. However, in no event will we charge interest for more than 365 days.

Your amount of dependent *life insurance*, *accidental death and dismemberment insurance*, *travel accident insurance*, dependent *accidental death and dismemberment insurance* and survivor income insurance, if any, is not affected by the payment of the *accelerated benefit*. The amount of any *conversion policy* will be based on your reduced amount of *life insurance* after the payment of the *accelerated benefit*.

### Exclusions

An *accelerated benefit* will not be paid if:

- you have assigned all or part of your *life insurance*, unless the assignee consents, in writing.
- you have named an irrevocable *beneficiary* for all or part of your *life insurance*, unless the *beneficiary* consents, in writing.

## LIFE INSURANCE FOR YOU (continued)

- all or a part of your *life insurance* is payable to a former spouse as part of a divorce decree or property settlement.
- you have previously received an *accelerated benefit* of your *life insurance*.
- your *life insurance* is less than \$10,000.
- the *policy* issued by us to the *policyholder* has not been in force for at least six months.

## ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE FOR YOU

### Accidental Death Insurance Provided

If you die as the direct result of an *injury*, we will pay your *beneficiary* the amount of Accidental Death and Dismemberment Insurance shown in the Schedule.

The insurance will be paid only if death occurs within 365 days after the *injury*. This 365-day limit will not apply if you are in a coma or being kept alive by an artificial life support system at the end of the 365 days.

### Accidental Dismemberment Insurance Provided

If you suffer one or more of the following losses as the direct result of an *injury*, we will pay the benefit shown:

<u>Covered Loss</u>	<u>Benefit</u>
1 hand, 1 foot, or the sight of 1 eye	½ the amount of Accidental Death and Dismemberment Insurance
Any 2 or more of the above	The full amount of Accidental Death and Dismemberment Insurance

Loss of a hand or foot means permanent severance at or above the wrist or ankle. Loss of sight of the eye means total and permanent loss of sight.

The loss must occur within 365 days after the *injury*.

### Limitation

We will not pay more than the amount of Accidental Death and Dismemberment Insurance shown in the Schedule for any 1 accident. We will pay benefits only for an *injury* occurring while you are covered under the *policy*.

Any time your *life insurance* is continued under the Disability Benefit, your *accidental death and dismemberment insurance* will also continue, for up to 1 year from the date you became *disabled*. No premium is due when no premium is due for *life insurance*.

### HIGHER EDUCATION BENEFIT

#### Higher Education Benefit Provided

If you die as the direct result of an *injury*, and an Accidental Death Insurance benefit is payable, we will pay the annual Higher Education Benefit shown in the Schedule to each eligible dependent student.

## ADDITIONAL PROVISIONS FOR LIFE INSURANCE AND ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

### Optional Payment Methods

You or your *beneficiary* may choose to have all or part of your insurance paid in installments. You can request this at any time. Your *beneficiary* may request this within 31 days after your death.

This option is not available if the *beneficiary* is an estate, corporation, partnership, association, or trustee.

### Beneficiary

You may change the *beneficiary* at any time. Any request to name or change the *beneficiary* must be in writing on a form acceptable to us and signed by you. After we receive the request at our *home office*, the change will take effect on the date you signed it. A *beneficiary* change will be without prejudice to us for any payment we made before we received notice in our *home office*.

You may also send a request to change the *beneficiary* to the main office of the *policyholder*. The change must be made in a manner acceptable to us.

Any application to convert all your group *life insurance* which names a *beneficiary* different from the last *beneficiary* you named under the *policy* will be considered a change of *beneficiary* to the person named in the application. The change will take effect on the date of the application.

If you named more than 1 *beneficiary*, your amount of insurance will be divided among them equally, unless you specified otherwise.

If a *beneficiary* dies before you do, the rights and interest of that *beneficiary* will end.

If no *beneficiary* is living or existing when you die, or if none was named, or if the *beneficiary* is disqualified by operation of law, your insurance will be paid to the first qualified surviving class of the following classes in this order:

- your lawful spouse;
- your living children, in equal shares;
- your living parents, in equal shares; or
- your estate.

### Assignment

If you assign your interest under the *policy* to another person, all your rights under the *policy* are permanently transferred. This includes the right to name and change the *beneficiary* and the right to convert to an individual policy. You may assign your insurance to only 1 of the following:

- your lawful spouse;
- your child, parent, brother, or sister; or
- the trustee of a trust you set up for the benefit of your lawful spouse, children, parents, brothers, or sisters.

We are not responsible for the validity of any assignment. An assignment will not affect us until we receive written notice at our *home office*.

**ADDITIONAL PROVISIONS FOR LIFE INSURANCE AND ACCIDENTAL DEATH AND  
DISMEMBERMENT INSURANCE (continued)**

**Incontestability**

(This provision applies to *life insurance* only.)

The validity of the *policy* cannot be contested after it has been in force for 2 years. The validity of your coverage under the *policy* cannot be contested after you have been insured under the *policy* for 2 years during your lifetime. However, if the premiums are not paid, the validity of the *policy* or your coverage can be contested at any time.

No statement you made regarding *proof of good health* can be used in a legal dispute unless it was in writing, it was signed by you, and a copy was given to you or your *beneficiary*.

**Spendthrift**

As permitted by law, the benefits under the *policy* are not subject to commutation, encumbrance or alienation. They are not subject to the claim of, or legal process, by any creditor of you or your *beneficiary*.

## LIFE INSURANCE FOR YOUR DEPENDENTS

### Insurance Provided

If a *covered dependent* dies, we will pay you the amount of that dependent's *life insurance* shown in the Schedule. If you are not living or are disqualified by operation of law, we will pay the deceased dependent's estate. We will pay it in 1 sum when we receive all the required proof of covered loss, including written proof of death, acceptable to us, and a completed claim form. The amount of insurance may be reduced by the amount of any *conversion policy*.

For any *contributory* insurance, if a *covered dependent* takes his or her own life within 1 year after becoming insured under the *policy*, the amount of insurance we pay will be the sum of your contributions for this insurance.

For any *contributory* insurance, if a *covered dependent* takes his or her own life within 1 year after you elect an increase in the amount of dependent insurance under the *policy*, the amount of the increase will be limited to the sum of your contributions for the increase.

### Changes in Amounts of Insurance

Any change in a *covered dependent's* amount of insurance will take place on the Dependent Change Date shown in the Schedule. But in the case of an increase, if the *eligible dependent* is in a hospital or similar facility on that day, no increase will take effect until the day after the *eligible dependent* leaves the hospital or similar facility.

### Disability Benefit

Any time your *life insurance* is continued under the Disability Benefit, your dependent *life insurance* will also continue. No premium is due when no premium is due for *life insurance*.

### Conversion to an Individual Policy

If any or all of a dependent's *life insurance* ends, you or your dependent can apply for an individual policy issued by us (*conversion policy*). You or your dependent must apply on a form acceptable to us and pay the premium within 31 days. If a dependent's *life insurance* ends following a period of continuance under the Special Life Insurance Continuance Provisions, we will offer you or your dependent an individual term policy. In any other event, the individual policy may be any we offer for conversion, except term insurance. No *proof of good health* is required.

You or your dependent may convert up to the full amount that ended.

Neither you nor your dependent can apply for a *conversion policy* if your dependent's group *life insurance* ends because you did not pay your share of the dependent's premium.

If your dependent dies within 31 days after dependent *life insurance* ends, we will pay you the amount that could have been converted, whether or not an application was made or any premium was paid for the *conversion policy*.

### Assignment

You cannot assign dependent *life insurance*.

## LIFE INSURANCE FOR YOUR DEPENDENTS (continued)

### **Incontestability**

The validity of the Dependent Life Insurance provisions of the *policy* cannot be contested after they have been in force for 2 years. The validity of the insurance on any dependent cannot be contested after the dependent has been insured under the *policy* for 2 years during that dependent's lifetime. However, if the premiums are not paid, the validity of the Dependent Life Insurance provisions or of any dependent's insurance can be contested at any time.

No statement you or a dependent made regarding a dependent's *proof of good health* can be used in a legal dispute unless it was in writing, it was signed by you or your dependent, and a copy was given to you or your dependent.

## CLAIM PROVISIONS

### Payment of Benefits

We will pay benefits when we receive all the required proof of covered loss.

### To Whom Payable

We will pay your life insurance and accidental death benefits according to the Beneficiary provision. For any other benefits we will follow the provisions applicable to such benefits, if any. Otherwise, all other benefits will be paid to you, if you are living. If not, we will pay your estate.

If no *beneficiary* is living at your death, we may pay part of your life insurance to any person we decide is entitled to it because of expenses incurred during your last illness or for your funeral.

Any amount we pay in good faith releases us from further liability for that amount.

### Filing a Life Disability Benefit Claim

Within 30 days of the start of your *disability*, you should give us proof that you are currently *disabled* and have been continuously *disabled* since your last day of *active work*. Proof must be given within 90 days after the end of your *qualifying period*. If it is not reasonably possible to give proof on time, it must be given no later than 1 year after the time proof is otherwise required, except in the absence of legal capacity.

Continuing proof of *disability* must be given as often as we may reasonably require. Continuing proof must be given within 60 days of our request.

You must furnish whatever items we decide are necessary as proof of *disability*. You must agree to be examined by a *doctor* we choose, as often as needed to decide the existence or extent of *disability*. We will pay for any exam we require. If, within a reasonable time, you do not furnish any required items or do not have any required exam, your coverage will end.

### Authority

The *policyholder* delegates to us and agrees that we have the authority to determine eligibility for participation or benefits and to interpret the terms of the *policy*. However, this provision will not restrict any right you may have to pursue an appeal or file a lawsuit if your claim for benefits is denied.

### Review Procedure

You must request, in writing, a review of a denial of your claim within 60 days (180 days for Life Disability Benefit) after you receive notice of denial.

You have the right to review, upon request and free of charge, copies of all documents, records, and other information relevant to your claim for benefits, and you may submit written comments, documents, records and other information relating to your claim for benefits.

We will review your claim after receiving your request and send you a notice of our decision within 60 days (45 days for Life Disability Benefit) after we receive your request, or within 120 days (90 days for Life Disability Benefit) if special circumstances require an extension. We will state the reasons for our decision and refer you to the relevant provisions of the *policy*. We will also advise you of your further appeal rights, if any.

## CLAIM PROVISIONS FOR ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE ONLY

### Filing a Claim

1. You or your *beneficiary* must send us notice of the claim. We must have written notice of any insured loss within 30 days after it occurs, or as soon as reasonably possible. You can send the notice to our *home office*, or to one of our regional group claims offices, or to one of our agents. We need enough information to identify you as a *covered person*.
2. Within 15 days after the date of the notice, we will send you or your *beneficiary* certain claim forms. The forms must be completed and sent to our *home office* or to one of our regional group claims offices. If you or your *beneficiary* do not receive the claim forms within 15 days, we will accept a written description of the exact nature and extent of the loss.
3. The time limit for filing a claim is 90 days after the date of the loss.
4. If it is not reasonably possible to give proof on time, we will not deny or reduce your claim if you give us proof as soon as reasonably possible.

### Physical Exam

We may ask you to be examined as often as we require at any time we choose. For an accidental death claim, we may have an exam or autopsy performed, before or after burial, where allowed by law. We will pay for any exam we require.

### Limit on Legal Action

No action at law or in equity may be brought against the *policy* until at least 60 days after you file proof of loss. No action can be brought after the applicable statute of limitations has expired, but, in any case, not after 3 years from the date of loss.

### Incontestability

The validity of the *policy* cannot be contested after it has been in force for 2 years, except if premiums are not paid.

Any statement made by the *policyholder* or a *covered person* will be considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to the *covered person* or the *beneficiary*.

No statement, except fraudulent misstatement, made by a *covered person* about insurability will be used to deny a claim for a loss incurred or *disability* starting after coverage has been in effect for 2 years.

No claim for loss starting 2 or more years after the *covered person's* effective date may be reduced or denied because a disease or physical condition existed before the person's effective date, unless the condition was specifically excluded by a provision in effect on the date of loss.

## GENERAL PROVISIONS

### Entire Contract

The *policy* and the *policyholder's* application attached to it are the entire contract. Any statement made by you or the *policyholder* is considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to you or your *beneficiary*.

### Errors

An error in keeping records will not cancel insurance that should continue nor continue insurance that should end. We will adjust the premium, if necessary, but not beyond 3 years before the date the error was found. If the premium was overpaid, we will refund the difference. If the premium was underpaid, the difference must be paid to us.

### Misstatements

If any information about you or the *policyholder's* plan is misstated or altered after the application is submitted, including information with respect to participation or who pays the premium and under what circumstances, the facts will determine whether insurance is in effect and in what amount. We will retroactively adjust the premium.

### Certificates

We will send certificates to the *policyholder* to give to each *covered person*. The certificate will state the insurance to which the person is entitled. It does not change the provisions of the *policy*.

### Workers' Compensation

The *policy* is not in place of, and does not affect any state's requirements for coverage by Workers' Compensation insurance.

### Agency

Neither the *policyholder*, any employer, any *associated company*, nor any administrator appointed by the foregoing is our agent. We are not liable for any of their acts or omissions.

### Fraud

It is unlawful to knowingly provide false, incomplete or misleading facts or information with the intent of defrauding us. An application for insurance or statement of claim containing any materially false or misleading information may lead to reduction, denial or termination of benefits or coverage under the *policy* and recovery of any amounts we have paid.

## STATEMENT OF ERISA RIGHTS

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

- (i) Examine, without charge at the plan administrator's office and at other specified locations such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and, if required, a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- (ii) Obtain, upon written request to the plan administrator, copies of all documents governing the plan including insurance contracts and collective bargaining agreements, and, if required, copies of the latest annual report (Form 5500 Series) and the updated summary plan description. The administrator may make a reasonable charge for the copies.
- (iii) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate our plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for welfare benefits is denied in whole or in part you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request certain materials from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court may decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and legal fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous. If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
